

I have spiritually adopted an unborn baby and will pray for my baby
and his/her mother every day for 9 months.

My baby is a BOY_____ GIRL_____

I have named my baby_____

Due date:_____

(9 months from when you start to pray)

Father and maker of all, You adorn all creation

With splendor and beauty

And fashion human lives in your image and likeness.

*I beg you to spare the life of the unborn baby that I have spiritually adopted who is in danger
of abortion.*

Many other individuals in society need our prayers to recover and heal from
the injury done to them through abortions. These includes medical personal
who have now realized the consequences of their actions in assisting with
abortions.

Prayers for others never go unheard or unanswered.

Women who regret their decision to get an abortion and cannot forgive themselves.

Those men who created a child through rape, whether they have remorse or not.

*Our elected leaders who are not aware of the injury (physical, mental or emotional) caused by
dangerous permissive abortion laws that carry grave consequences.*
